Vice-President,

BANKAPUR.

TO,

The Dewan of Savanur

SIR,

With reference to your no 7 of 9th inst. I have the honour to state as follows:—

2 In the case of the 'Kannaboli' letter no 233 of 29th Dec 1915 ^{Rev 1, 1} he put down Rs 1742-2-6 as the share to be paid by this Taluka Local Board for the construction of the Hattimattur road; the Assistant collector in his no 465 of 29th February last communicated that Rs 142-8- should be paid by this Board for the acquisition of

lands, required for this road; the
total amount thus came to Rs 1884-10-6.
of this amount - Rs 1533-5-4 were
already paid to the Board (Please
see your No 24 of January 1916);
thereafter Rs 142 were paid
to the State (Please see your
No 104 of 22nd February 1916).
Now there remains a balance
of Rs 209-5-2 to be paid to the
State.

I have the honour therefore
to request you to kindly arrange
to receive this payment at an
early date; receipt in duplicate
of this sum of Rs 209-5-2 is
first of all required to enable
me to draw a cheque in
your favour.

Divan's office

Savanur

30th November 1916

From,

The Divan of Savanur

To

The Vice President

Taluka Local Board

Banapur

Subject:- Contribution towards the
Savanur Hattinathur Ry. Station
Road.

Sir,

Yours no. 114 dated 11-8-1916.

I have the honour to bring the
following to your notice for consideration.

2) The road was first constructed
Katcha in the years 1910-11 at the joint
cost of the State and the Taluka Local
Boards of Banapur and Karajagi, as
consented by them. It was also then
settled that the road should be
maintained by the 3 bodies together.

The share of contribution due by

by the Taluka Local Board Bankapur
for the construction and repairs up to
1912-13 amounted to Rs. 1206-6-10 and
was duly paid up.

3) Seeing that it was only a fair
weather road and that the traffic
had far increased, it was proposed
that it should be made pucca at
an estimated cost of Rs. 5000/-. The
Board on being referred to ⁱⁿ the
matter refused to share the costs
and as well the cost of maintenance
promised before. The matter was then
referred to the Collector of Dharwar
as President of the District Local Board
on the one hand and the Political
Agent of the State on the other.
The Board, however, consented to
pay off its quota in instalments of
Rs. 300/- as communicated to this office
by the Collector in his no $\frac{4282}{23-6-13}$.
The

The work was accordingly taken up and was finished by the State P.W.D. in 1913-14 at a cost of Rs. 4917-6-8. The further expenses on ^{account} ~~age~~ of repairs — thereto in the year 1914-15 came to Rs. 307-2-4.

4) The Board on being asked to pay the instalment as promised again refused to do so. The matter had thus to be referred to the Collector — again and when doing so the balance of dues by the Board was stated at Rs. 1742-2-6, vide Huzur No. 223 of 19-8-15 referred to in your letter under reference.

The Board again gave its — consent to pay off the balance in — instalments as previously settled and gave the 1st instalment of Rs. 300/- on 9-11-15.

--- The State had to pay Rs 850/- in 1915-16 for the acquisition of the — land required for the road. The
balance

balance to the credit of the Board at the end of 1915-16 thus came to Rs. —

1925-7-10.

Deducting from this amount
Rs. 200 received on 5-9-13 & Rs. 142 on 7th
March last the balance to the credit
of the Board will be Rs. 1383-7-10 &
not to Rs. 209-5-2 as referred to in
your letter under reference.

The cost of annual current repairs to the road will in addition, have to be given every year.

It is therefore requested that arrangements may kindly be made to pay the balance due in regular instalments of Rs. 300/- as already promised & also the cost of current repairs when demanded.

I have the honor to be
